Celebrating our Sporting year

All our FAVSP Primary schools have had a fantastic year of sporting achievement with the chance to attend over 50 festivals, competitions and Leadership opportunities. Congratulations to everyone who has participated so enthusiastically, helping ensure all our Sporting and Physical Activities have been a resounding success. Coaches, participants, teachers, TA's , young Leaders and parents.....we really couldn't do it without you.

In this Newsletter the aim is to capture a flavour of all the sporting activities which have taken place this year and celebrate supporting our children getting more active.

Autumn: An introduction to Orienteering

Our first event of the term was to introduce our school teams to the world of competitive orienteering around the grounds of Helsby High School. Teams used maps and compasses to navigate round courses set up by Deeside Orienteering Club, ably assisted by our Helsby High School Young Leaders.

October was definitely the month for Tag Rugby and our Y5/6 competition was amazing with 13 teams competing to go forward and represent FAVSP at the SSP finals. 156 children, complete with Tag Rugby belts, played in the hard fought competition. Many thanks to all school staff who accompanied their teams, Helsby Young Leaders for keeping us all in order and refereeing the matches and Helsby Rugby Club for hosting the event and supporting our young Leaders. Kingsley CP and Ashton Hayes went through to the SSP competition with Norley and Frodsham CE tying for joint third place.

Congratulations to the 13 teams from Y3/4 who also took part in the FAVSP Tag Rugby Festival, developing their team work and agility. Over 100 children were coached by Helsby Young Leaders in developing their core rugby skills.

Y5/6 Quicksticks Hockey

Frodsham Manor House, Frodsham CE, Kingsley St Johns and Helsby Hillside travelled to Neston Hockey Club to compete in the SSP Quicksticks final. All teams were a real credit to their Schools and our Sports Partnership and played with real skill and determination.

Play Leader Training

The FAVSP playleader Training equips our year 5 and 6 children with the practical skills to deliver a range of playground activities within their school. The children who apply for this programme take part in a 3 hour practical session looking at their leadership skills in the playground, designing practical games and working together to problem solve challenges that may arise in the role. Once trained the children devise a rota of playground responsibilities across KS1 and 2 playgrounds.

The children are awarded play leader caps and certificates in acknowledgement that they are undertaking these duties completely voluntarily. The hope is that the leadership skills they develop will be carried forward into High School and they can further develop their Sports Leadership responsibilities.
