Dyslexia-friendly books for children and teens

At Sandiway Library, we have lots of dyslexia-friendly books for children and teens from publishers Barrington Stoke and Little Gem. These books have accessible layouts and font, off-white paper to reduce visual stress, short chapters, and other features to make reading more manageable. With adventure stories, comedies and more, there is something for everyone. Look out for the books with yellow stickers on the shelves. We also have lots of popular cartoon books and graphic novels - including Dog Man, Bunny Vs Monkey and Pokémon.

If you prefer to listen to audio books, you can do so with the library's BorrowBox app - it's a relaxing way to enjoy books and develop vital listening, communication, and vocabulary skills. On BorrowBox, you can also read e-books. Simply select an e-book, click on the aA button at the bottom of the screen and change the Font option to Dyslexic. You can also change the page background to a sepia tone.

It is free-of-charge to join the library. You can join in person, online or over the phone, and you don't need to bring any ID with you.
