NEWS

Good Luck Year 6!

We would like to wish the very best of luck to our Year 6 pupils as they visit their new secondary schools for transition days over the next couple of weeks. This is a wonderful opportunity to build new friendships, meet the staff and grow in confidence as they prepare for the exciting transition to secondary school.

FRIENDLY REMINDERS

Fun in the Sun!

Please can you ensure that your child comes to school with a hat labelled with their name and that sunscreen is applied before school. Children are encouraged to play in shaded areas at playtimes to ensure they don't spend too much time in the sun.

Thank you.

LAST WEEK

Class 3's Adventure Day at Petty Pool!

Class 3 had an amazing time at Petty Pool! From crate stacking and archery to wall climbing and den building, no challenge was too big. Every child pushed their limits, supported each other, and showed incredible teamwork. We're so proud of their effort, courage, and enthusiasm - they made themselves and their school proud!

How this may affect you

- Our standard working hours will be between 8am and 6pm Monday to Friday. Our team may need to work later in the day or over the weekend during this period. The traffic management will need to remain in place throughout the duration of the work.
- There may be an increase in noise and construction traffic as we carry out the work.
- Pedestrian access will be maintained where possible and signed diversions to direct vehicles around our working areas will be in place and checked regularly.
- On completion, the road will be reinstated and the traffic management removed.
- Your water and wastewater services will not be affected and can continue to be used as normal during our work.

We'll provide regular updates on our website at unitedutilities.com/vamp-live-updates and also share the latest information with local Parish Councils. Once the permits have been granted, we can provide you with a digital copy of the diversion map which can be shared with customers/displayed.
